

Boardmaker 7

Standard

Support learning and communication in the classroom, hospital, clinic, therapy room or home with this trove of customizable material, including access to over 80,000 diverse Picture Communication Symbols® (PCS).

Group licenses available with volume pricing for 5+ licenses. [Contact us.](#)

Editor

- Available on Windows, Mac and Chromebook with a new, intuitive interface and optional cloud storage in our Boardmaker Community
- Import, edit, print and play most activities from older versions of Boardmaker software
- Increase efficiency with features like edit-in-place, hundreds of templates, and built-in web search
- Install on two computers per user with device based licensing

Community

- Explore over 120,000 ready-made activities and templates from more than 800,000 members
- You can also upload activities you've created and share them with your students' support teams
- Free optional cloud storage without subscription
