

Boardmaker 7

Subscription for Organizations

Support learning and communication in the classroom, hospital, clinic, therapy room or home with this trove of customizable material, including access to over 85,000 diverse Picture Communication Symbols® (PCS).

Volume pricing with 1-3 year terms

Cost savings with customized packages, volume discounting and product bundles with 5 or more instructors.

Print and interactive templates

Engage students more easily with activities that can be customized for their needs and are representative of all learners.

Efficient and ready-to-go

Save time with searchable, ready-made material and curricula for students of all ages and ability levels.

Share activities across organizations

Connect with your full team in the Boardmaker Community, including educators, parents and Speech Language Pathologists (SLPs).

Transform Learning with Boardmaker 7

Boardmaker 7 includes a free, deployable Student Center for remote education and features an accessible curriculum with thousands of ready-made, research-based activities. Boardmaker 7 provides framework for consistency and collaboration across the entire organization and allows staff to work from anywhere.

The platform offers cost savings through customizable packages, volume discounts, and product bundles for both remote and in-person learning. Additionally, ongoing education from a world-class Learning Team is available to staff and dedicated Account Managers to provide updates, resources, and ongoing support.

Included with your subscription:

Editor

- Increase efficiency with features like edit-in-place, hundreds of templates, and built-in web search
- Available on Windows, Mac and Chromebook with a new, intuitive interface plus local and cloud storage
- Import, edit, print and play most activities from older versions of Boardmaker software

Student Center

- Personalized, accessible instruction anywhere anytime (even offline and for remote learning)
- Access free content and play activities
- Custom accessibility settings for students can be easily adjusted remotely

Curriculum

- Activities-to-Go: thematic units focused on science, social studies, and life skills, designed for students in grades K-12
- Reading Avenue and Core First® Learning feature thousands of activities, books, and lesson plans

myBoardmaker

- Manage your subscription, organize your materials and assign activities to students
- Gain access to additional content including curricula and the Boardmaker Community

Community

- Explore over 120,000 ready-made activities and templates from more than 800,000 members
